The following is a description of the complaints in which our Chairman, Manuel V. Pangilinan, our directors Ray C. Espinosa, James L. Go, Artemio V. Panganiban, Pedro Roxas and Ambassador Albert F. del Rosario, and Chief Financial Officer, Ms. Anabelle L. Chua, are respondents:

1. Messrs. Manuel V. Pangilinan, Ray C. Espinosa, James L. Go, Artemio V. Panganiban, Pedro Roxas and Ms. Anabelle L. Chua and other members of the Board of Directors of Manila Electric Company (respectively the “Board” and “Meralco”), and the Commissioners of Energy Regulatory Board (“ERC”) except Chairman Agnes Devanadera, are respondents in a Complaint-Affidavit dated December 5, 2017 filed by the National Association of Electricity Consumers for Reforms, Inc. (“NASECORE”) with the Office of the Ombudsman (OMB) and docketed as OMB-C-C-18-002 (the “Complaint”).

The Complaint charges the respondents with the crime of Syndicated Estafa under Section 1 of Presidential Decree No. 1689 (“PD 1689”), in relation to Article 315, par. 1(b) of the Revised Penal Code, for alleged misappropriation of the bill deposits made by customers of Meralco, and failure to accrue and credit interest on the said deposits. As directed in the OMB’s Order dated January 22, 2018, the members of the Board of Meralco (the “Private Respondents”) timely filed their Counter-Affidavits on February 9, 2008.

In their Counter-Affidavits, the Private Respondents asserted that the case against them is without merit since the elements of Syndicated Estafa under PD 1689 and Article 315 paragraph 1(b) of the Revised Penal Code are not present. Private Respondents and Meralco cannot be considered as a syndicate. Neither are the elements of estafa present since the bill deposits are not received by Meralco or the Private Respondents in trust, on commission, or for administration, or with an obligation to return or make delivery of the exact same bills and coins. Nor was there any misappropriation or conversion of the bill deposits which caused damage to any person. Moreover, the bill deposits are fully accounted for in the audited financial statements and there are sufficient funds to refund the same, if necessary. There is likewise no conspiracy to commit a crime among the Private Respondents themselves, or the Private Respondents and the ERC Commissioners.

In a Resolution dated May 18, 2018, the Complaint was dismissed for insufficiency of evidence. The case was however referred to the Commission on Audit for the conduct of audit on the Bill Deposits collected by Meralco from the public consumers and to inform the OMB of Compliance thereof.

NASECORE filed a Motion for Partial Reconsideration of the Resolution dated May 18, 2018. On June 16, 2018, Meralco filed a Motion for Leave to File and Admit Comment/Opposition. The Ombudsman denied NASECORE’s Motion for Reconsideration in an Order dated July 30, 2018. No appeal was made from the resolution dismissing the complaint against Meralco directors and officers.

2. Messrs. Manuel V. Pangilinan, Ray C. Espinosa, James L. Go, Artemio V. Panganiban, Pedro Roxas and Ms. Anabelle L. Chua and other members of the Board of Directors and the President and CEO of Manila Electric Company, and the Commissioners of Energy Regulatory Board (“ERC”) except Chairman Agnes Devanadera, are respondents in a Complaint-Affidavit dated January 22, 2018, filed by the NASECORE and Cellphone Owners and Users of the Philippines, Inc. (“COUP”) with the OMB and docketed as OMB-C-C-18-0042 (the “Complaint”).

The Complaint charges the respondents with the crime of Syndicated Estafa under Section 1 of Presidential Decree No. 1689 in relation to Paragraph 2(a) of Article 315 of the Revised Penal Code and violation of Section 3 (e) of Republic Act No. 3019 (Anti-Graft and Corrupt Practices Act) in connection with the investments made by Meralco in its subsidiaries and affiliates and in its joint ventures with other corporations for businesses which are not related to Meralco’s electric distribution business.

The Complaint alleges that Meralco’s investments, participations, business interests, and infusion of funds in other companies, either as parent corporation or as a joint venture, are violative of its legislative franchise (RA 9209) and the EPIRA Law (RA 9136). It further alleges that Meralco allegedly conspired with the four (4) ERC Commissioners in committing Syndicated Estafa and with violating Section 3(e) of Anti-Graft and Corrupt Practices Act, to make said prohibited investments, thereby resulting to over-charging and over-recoveries by Meralco against its customers.

As directed in the OMB’s Order dated February 20, 2018, the members of the Board of Directors and the President and CEO of Meralco (the “Private Respondents”) timely filed their Counter-Affidavits on March 12, 2018. In their Counter-Affidavits, the Private Respondents strongly denied the commission of any wrongdoing as Meralco’s investment activities are allowed by and fully compliant with all applicable laws rules and regulations, and do not impact negatively on its operations or customers. They argued that its legislative franchise (RA 9209) and the EPIRA Law (RA 9136) do not prohibit, restrict or bar Meralco from making investments in other companies, including generation companies.

Meralco is likewise not required (pursuant to Section 26 of EPIRA) to plow back up to 50% of the net income derived from such investments in other companies since Meralco's investments in generation companies and other subsidiaries or entities do not constitute related business undertakings that utilize Meralco's rate base assets. Meralco's investments in other companies are not sourced from its revenues, but rather, from its net profits and retained earnings, and the disposition and use of such profits by Meralco are not subject to regulation by the ERC or any other agency.

Considering the foregoing, the elements of the crime of Syndicated Estafa are not present. No fraud was committed against Meralco customers since Meralco and/or Private Respondents or any of them never committed any fraudulent act, or employed false pretenses or fraudulent means to the prejudice or detriment of any party. There is no fraud or swindling whatsoever, there is also no syndicate to speak of, and Private Respondents did not participate in or agree to any criminal design with the ERC Commissioners.

On May 4, 2018, Meralco filed a Manifestation with Motion for Early Resolution of even date. The complaint remains pending with the Office of the Ombudsman.

3. Ambassador Albert F. Del Rosario and other directors and officers of the former PDCP Bank ("PDCP"), and some officers of the Bangko Sentral ng Pilipinas ("BSP") and Development Bank of the Philippines ("DBP") (the "Respondents") were charged in a complaint docketed as I.S. No. 2004-631 filed by Chung Hing Wong/Unisteel/Unisco Metals, Inc. (the "Complainants") with the Department of Justice ("DOJ"), for alleged syndicated estafa, estafa thru falsification of documents, other deceits, malversation and robbery. In the complaint-affidavit, the Complainants alleged that the officers and directors of PDCP deceived the Complainants to secure a loan from PDCP through misrepresentation and with the sinister purpose of taking over the Complainants' corporation. The complaint was referred to the Ombudsman ("OMB") by the DOJ considering that some of the Respondents are public officers and the offenses charged were committed in the performance of their official functions.

In the OMB's Review and Recommendation dated November 28, 2008, the OMB approved the DOJ Resolution dated September 7, 2007 DISMISSING the complaint and referred the case back to the DOJ for appropriate action. The Complainants filed separate Motions for Reconsideration before the DOJ and OMB.

On December 16, 2009, the DOJ issued a Resolution denying the Complainants' Motion for Reconsideration for lack of merit. In response, the Complainants filed a Petition for Review with the Secretary of Justice on March 2, 2010. Mr. Del Rosario and the other Respondents filed their respective Comments to the petition. On October 9, 2014, the Secretary of Justice issued a Resolution denying the Petition for Review. In response, Complainants filed a Motion for Reconsideration which remains pending to date with the Office of the Secretary of Justice.

With respect to the Complainants' Motion for Reconsideration with the OMB, the latter issued an Order dated December 4, 2009 denying the same and affirming its Review and Recommendation of November 28, 2008. In response, the Complainants filed a Petition for Certiorari with the Court of Appeals ("CA"). In a Resolution dated July 26, 2010, the CA dismissed the petition for lack of jurisdiction. Likewise, the Complainants' Motion for Reconsideration was denied by the CA in a Resolution on January 10, 2011. Subsequently, the Complainants filed a Petition for Review with the Supreme Court ("SC") questioning the Decision of the CA. In a Resolution dated March 28, 2011, the SC denied the Complainants' Petition for Review for failure to show any reversible error in the challenged Decision of the CA. The Complainants filed a Motion for Clarification. In a Resolution dated August 24, 2011, the SC treated the motion as a Motion for Reconsideration of the dismissal of the Petition and denied the same. The said Resolution of the SC became FINAL AND EXECUTORY based on the Entry of Judgment dated October 26, 2011. The Complainants however still filed a Motion for Clarification and Motion to Refer Case to the Supreme Court en Banc. In a Resolution dated October 10, 2012, the SC ordered the said motion expunged from the records of the case as the Petition has already been denied with FINALITY and an ENTRY OF JUDGMENT and Letter of Transmittal already sent to the CA as early as October 26, 2011.

Incentives and Benefit Plans

A. Transformation Incentive Plan

On September 26, 2017, the Board of Directors of PLDT approved the Transformation Incentive Plan (TIP) which intends to provide incentive compensation to key officers, executives and other eligible participants who are consistent performers and contributors to the Company's strategic and financial goals. The incentive compensation will be in the form of Performance Shares, PLDT common shares of stock, which will be released in three annual grants on the condition, among others, that pre-determined consolidated core net income targets are successfully achieved over three annual performance periods from January 1, 2017 to December 31, 2019. On September 26, 2017, the Board of Directors approved the acquisition of 860 thousand Performance Shares to be awarded under the TIP. On March 7, 2018, the Executive Compensation Committee (ECC) of the Board approved the acquisition of additional 54 thousand shares, increasing the total Performance Shares to 914 thousand. Metrobank, through its Trust Banking Group, is the appointed Trustee of the trust established for purposes of the TIP. The Trustee is designated to acquire the PLDT common shares in the open market through the facilities of the PSE, and administer their distribution to the eligible participants subject to the terms and conditions of the TIP.

On December 11, 2018, the ECC of the Board approved Management's recommended modifications to the Plan, and partial equity and cash settled set-up was implemented for the 2019 TIP Grant. The revised set-up includes a fixed number of shares that will be granted ("equity award") and the estimated fair value of the difference between the number of shares granted in the original equity grant and the equity award will be paid in cash ("cash award"). The fair value of the award is determined at each reporting date using the estimated fair value of the corresponding shares.

As at March 25, 2021, a total of 757 thousand PLDT common shares have been acquired by the Trustee, of which 238 thousand PLDT common shares have been released on March 12, 2020, April 7, 2020 and January 19, 2021 for the 2019 annual grant, and 302 thousand PLDT common shares have been released on March 28, 2019 for the 2018 annual grant, and 204 thousand shares on April 15, 2018 for the 2017 annual grant. The cash award for the 2019 annual grant that was paid on March 12, 2020 amounted to Php654 million. The TIP is administered by the ECC of the Board.

On August 7, 2020, the ECC approved the adjusted TIP that covers the years 2020 and 2021, and will be cash-settled. The cash grant will be for the two years covered and payment will be in 2022. The Cycle 2 TIP will be based on the achievement of the CCNI for the years 2020 and 2021.

The expense accrued for the TIP amounted to Php1,134 million, Php638 million and Php208 million for the years ended December 31, 2020, 2019 and 2018, respectively. The accrued incentive payable, representing the cash settled set-up amounted to Php1,134 million and Php795 million as at December 31, 2020 and 2019, respectively.

B. Benefit Plan

The Company has a trustee, non-contributory defined benefit plan (the "**Benefit Plan**") covering all permanent and regular employees. The Benefit Plan provides benefits upon normal retirement beginning at age 65, early retirement beginning at age 50 or completion of at least 30 years of credited service, voluntary separation beginning at age 40 or completion of at least 15 years of credited service, total and physical disability, death and involuntary separation. Benefits are based on the employee's final monthly basic salary and length of service.

Except as provided in the plans described above, there are no other agreements or arrangements pursuant to which officers and directors of the Company may be entitled to receive any cash or non-cash compensation, or any benefits or payments in case of termination of employment or a change in control of the Company.

In the ordinary course of business, the Company has transactions with other companies in which some of such persons or former officers of the Company or its subsidiaries may have an interest, but these transactions have been negotiated on an arm's length basis and are not material.

No director/independent director or officer of PLDT or associate of any director/independent director or officer of PLDT was indebted to PLDT at any time during the past two years.

OTHER MATTERS

Information on PLDT's Independent Auditors and Other Related Matters

Article XII of our By-Laws provides that the Audit Committee constituted by the Board of Directors shall be directly responsible for the appointment, compensation, retention, removal or termination of engagement and oversight of the Company's independent auditors. Pursuant to this By-Laws provision, our Audit Committee approved the engagement or appointment of Sycip Gorres Velayo & Co. ("SGV"), a member practice of Ernst & Young Global, as the Company's independent auditors, which appointment was confirmed by the Board of Directors. The Audit Committee is composed of Mr. Pedro E. Roxas, as Chairman and Retired Chief Justice Artemio V. Panganiban and Mr. Bernido H. Liu, as members, all of whom are independent directors. Ms. Corazon S. de la Paz-Bernardo and Messrs. James L. Go, Junichi Igarashi and Roberto R. Romulo are Advisors to the Audit Committee.

SGV has served as our independent auditors for the past 18 calendar years. In compliance with the five-year rotation requirement and the two-year cooling off period in the re-engagement of the same signing partner as provided under the Company's By-Laws and applicable laws and rules, Ms. Marydith C. Miguel of SGV took over as the new lead engagement/audit partner with the primary responsibility for the audit of the Company's financial statements beginning in calendar year 2018. Ms. Miguel replaced Mr. Ramon D. Dizon of SGV, who was the lead engagement/audit partner for the audit of the Company's financial statements in the preceding five years (2013-2017).

The audit fees paid to SGV or accrued by the Company for the audit of the Company's financial statements and services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements amounted to approximately P47 million and P48 million in 2020 and 2019, respectively. The Company also paid other fees of approximately P23 million in 2020 and P20 million in 2019 to SGV with respect to the Company's Sarbanes-Oxley Act Section 404 assessment and other non-audit engagements. Out-of-pocket expenses incidental to the independent auditor's work do not exceed five percent of the agreed-upon engagement fees.

The Audit Committee pre-approves all audit and non-audit services as these are proposed or endorsed before these services are performed by the independent auditors.

The Company has no disagreement with SGV on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

The representatives of SGV are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and to respond to appropriate questions.
